

Congratulations to our Lyons swimmers qualifying for the 2018 Illinois Summer Regional Championship Meet taking place July 20-22 at Lyons Township High School South campus.

Not only is it a great honor that Lyons Aquatics has been selected to host this meet, it also provides our club a tremendous opportunity to drive revenue. The ability to host a championship meet helps keep registration fees affordable for all of our swimmers, but it requires a significant amount of volunteer work.

In order to fill the 190 volunteer positions, we ask families of Regional swimmers to volunteer at the Championship Meet. Families with an athlete(s) swimming 2 or more events are required to volunteer for 2 shifts. Families with a single athlete swimming in 1 event are required to volunteer for 1 shift. Families who do not have Regional swimmers are strongly encouraged, but not required, to volunteer to work a session. We appreciate any extra hands to help run a safe, efficient and fun event. The meet will have many exciting races and nearly 100 Lyons swimmers will race to get a spot on the championship podium!

Volunteer sign-up will be open Thursday, July 5 to Thursday July 12. Please access it on the club's website or through your swim manager portal. Early sign-ups are appreciated! If you have any questions, please contact us at lyonsaquatics@gmail.com.

Thanks to all of our volunteers for contributing to the success of our meets and our club.

We are Lyons and we are great!!
