Notification of acceptance will be conditional until the accompanying paperwork (See item 1) and check have been received. The Brownsburg Swim Club will send a final confirmation of acceptance when the paperwork and check have been received.

3. Regarding your entries:

- During morning prelims, 13-14 year olds' events and Open events for each gender are swum in different pools. Depending on the number of entries in each age group, Open Relays may begin at one pool before the 13-14 individual events are completed at the other pool. **Meet Officials are not obligated to delay the Open Relays until the completion of the 13-14 events.**
- If you enter a swimmer in more than three events in one day, we will remove the highest numbered event to reduce the count to three.
- If you enter a swimmer at a time lower than the “BB” time standard, we will change the time to equal the “BB” time. You risk a missed cut.
- Time updates will be accepted until January 11<sup>th</sup> 2011.
- As long as the meet is not full, we will try to accommodate late entries from your team if they are received by e-mail before January 11<sup>th</sup>. We reserve the right not to accept any late entries in events that will adversely affect the time line.
